Regarding: OFAC (Office of Foreign Assets Control) Database

Thank you for contacting TransUnion. Our goal is to maintain complete and accurate information on consumer credit reports.

Our records show that you recently requested a disclosure of your TransUnion credit report. That report has been mailed to you separately. As a courtesy to you, we also want to make you aware that the name that appears on your TransUnion credit file "SERGIO L RAMIREZ" is considered a potential match to information listed on the United States Department of Treasury's Office of Foreign Asset Control ("OFAC") Database.

The OFAC Database contains a list of individuals and entities that are prohibited by the U.S. Department of Treasury from doing business in or with the United States. Financial institutions are required to check customers' names against the OFAC Database, and if a potential name match is found, to verify whether their potential customer is the person on the OFAC Database. For this reason, some financial institutions may ask for your date of birth, or they may ask to see a copy of a government-issued form of identification, such as a Driver's License, Social Security card, passport, or birth certificate. Some financial institutions will search names against this database themselves, or they may ask another company, such as TransUnion, to do so on their behalf. We want you to know that this information may be provided to such authorized parties.

The OFAC record that is considered a potential match to the name on your credit file is:
